Background

The town of Bude is a small beachside village in north Cornwall, England. It is situated at the mouth of the River Neet and is a popular vacation destination due to its numerous beaches and good surfing conditions. In addition to its beaches, Bude offers many historic landmarks for visitors to discover such as The Castle and Poundstock.

Map of Vacation Spots in Bude

Bude has several vacation spots, some of which are marked on the map below. Bude is home to one of the most beautiful cricket grounds in the country, situated at the Bude North Cornwall Cricket Club. This cricket ground is located on the clifftops overlooking the Atlantic Ocean. Other popular spots in Bude are Summerleaze Beach, The Castle Bude, Crooklets Beach and Compass Point.

From the Cricket Grounds to Bar 35

The maps below show a route from a local pub, Bar 35, to the cricket grounds. The map shows the walking route between these two destinations. The cricket grounds are not especially close to any nearby pubs and thus Bar 35 is situated a decent distance away from the grounds.

Bude North Cornwall Cricket Grounds

As mentioned above, Bude has many beautiful places to visit within its town, one of which is the Bude North Cornwall Cricket Club. This club has beautiful cricket grounds that have panoramic views of the Atlantic Ocean as pictured below. Many competitions and other events are hosted at this club year round.

The Castle Bude

Another beautiful place in Bude is The Castle. The Castle Bude was built in 1830 and was once the home of Sir Goldsworthy Gurney, the inventor of the Steam Carriage. Nowadays, it is a heritage museum that displays many artifacts related to the history of Bude and Stratton and the surrounding parishes.

Compass Point

Compass Point is another historical landmark in Bude. Compass Point is an octagonal tower originally used as a coastguard lookout station. Its name comes from the fact that each of the 8 sides is carved with the points of the compass. Many visitors make the climb up to the massive monument situated on the cliffs of the Atlantic ocean and are greeted with picturesque views of Summerleaze Beach.

Crooklets Beach

Crooklets Beach is one of several beautiful beaches situated on the shores of Bude. Crooklets is very popular with surfers and is home to the Bude Surf Life Saving Club. The beach has great facilities including a large car park, a play area, skate park, beach cafe, showers, amusements and pubs close by. Crooklets offers a huge expanse of golden sand and rock pools to explore once the tide is out.

Summerleaze Beach

Another popular beach is Summerleaze Beach. It is conveniently located close to the center of Bude. Summerleaze is sheltered by a large breakwater, making it popular among families and surfers alike. Other features of the beach include a tower protecting a small harbour and the mouth of the Bude canal with its massive lock gates. On the opposite side of the beach there's a sea-water bathing pool that is safe to use no matter the conditions.
